Next Generation Hacks

August 3rd, 2019 - August 4th, 2019

About Us

Next Generation Nations is a student-run, all-inclusive nonprofit organization created to encourage teenagers to learn about and devise solutions to social, economic, environmental, and political issues across the globe. Through hosting a hackathon, we aim to foster young adults' interest in using technology, along with teamwork and creativity, to improve society. We want to show today's youth that they can do almost anything due to the opportunities that the constantly expanding technology industry provides.

Benefits of Sponsorship

Hackathons are a great place for coding enthusiasts and first-time coders alike to come together and learn. By sponsoring our hackathon, you can make a lasting impact on many new coders who have had little experience with using technology to solve problems. By directly being able to interact with the technology leaders of tomorrow, you can grow your consumer base and reach out to people who may not have much exposure to the industry prior to the event.

How The Money Will Be Used

The funds donated to Next Generation Hacks will be used solely on food, venue, swag, prizes, and anything else needed to run the hackathon. All of the organizers and facilitators of the event are volunteers. Any remaining money after the event will be donated to Oxfam, a charity which is fighting against global poverty. All donations to Next Generation Hacks are tax-deductible.

Ways Your Company Can Help

- Donate Money: This allows us to use the funds for anything needed to run the event

- Sponsor Meals: Purchase meals for attendees. The meals we will be providing are lunch, dinner, midnight snack, breakfast, and snacks throughout the entire event.

- Sponsor an Event: Help us by organizing and facilitating fun events for attendees

- Provide Mentors: Experienced mentors can ensure that no attendee feels left behind if they experience issues with their project.

- Provide services that help students build their projects (APIs, web hosting, software, hardware, etc.)

- Distribute swag that attendees can take home such as stickers, t-shirts, etc.

- If there is anything else your company can provide, please let us know!

	Bronze ($500)	Silver ($1k)	Gold ($2k)	Platinum ($3k)
